2006 Urban Forestry Excellence Awards

To: Montana Urban and Community Forestry Managers and Enthusiasts
From: Montana DNRC Urban & Community Forestry Program (contact: Kelley Gundale, Coordinator)
Date: August 2006

For the past four years, the Montana Urban and Community Forestry Association and the Montana Urban and Community Forestry (UCF) Program have presented Urban Forestry Excellence awards at the Montana League of Cities and Towns (MLCT) Annual Conference. Nomination time for the 2006 awards is here and for those of you wondering how your community can be recognized for its urban forestry achievements...here's your chance!

To enter, please complete the nominations form below including the short summary identifying why your community deserves the 2006 Urban Forestry Excellence Award. Two communities will be the recipient of a \$1000 urban forestry grant award for a project within the community and presented with their award at the MLCT Annual Conference in West Yellowstone this October!! The deadline for entries is **FRIDAY, SEPTEMBER 1, 2006**.

We rely heavily on your nominations to identify deserving entities and many worthwhile efforts would never come to our attention without your input. Award winners from past years are certainly eligible for future awards.

If you have any questions, please contact the Montana DNRC at 542-4284. Thanks in advance for your assistance!
